SECTION I

GENERAL

ORGANIZATION

Section I, General, Organization, of this table is published separately, and is distributed only to interested headquarters and to individuals whose duties require that they have it.

EQUIPMENT

1. This table is in accordance with AR 310-30 and SR 310-30 series, and, together with documents listed in paragraph 3, is the authority to requisition and issue, in accordance with pertinent Department of the Army directives, all items listed herein unless otherwise indicated.

2. For the purpose of supply planning, when there appears to be a discrepancy between the allowances shown in Section III, Equipment, strength column and the basis of distribution as indicated in the "Remarks" column, the amount shown in the strength column will govern.

3. Items of clothing, equipment, components of sets and kits, spare parts, accessories, special tools, and allowances of expendable items, as contained in the following publications, are authorized so far as they pertain to the allowances for the organization and/or individuals covered by this table.

a. Supply Manuals and expendable TA's.

4. The abbreviations used herein are in accordance with SR 310-30-10, AR 320-50, and SR 320-50-1.

5. Items of equipment authorized herein are the latest adopted type articles. Priorities of issue, issue of substitute items pending availability of later models or in lieu thereof until exhausted, are established and authorized by current supply directives.

6. This table contains the minimum essential quantities and types of equipment necessary to accomplish the mission of the unit. When additional equipment is required and is not covered by pertinent equipment authorization documents, approval must be obtained in accordance with procedures established by SR 725-10-2.

7. Allowances of equipment authorized herein may be decreased or omitted at the direction of the commanders of major commands. When deemed appropriate by these commanders only major components of items authorized will be requisitioned or retained.

8. When assigned military personnel exceeds that authorized in Section II, items of equipment authorized on an individual basis are increased accordingly.
